

Stock Market Savvy

Description

Stock Market Savvy is tailored for beginners, ensuring you build a solid foundation while learning at a fraction of the typical cost of financial planning. The classes are hourly, giving you the flexibility to fit them into your schedule.

Here's what we'll cover:

- Week 1: Demystifying the Stock Market
- Week 2: Building Your Investment Toolkit
- Week 3: Creating a Wealth Building Blueprint

Once your payment is confirmed, we'll send you a calendar to pick the most convenient date to begin your 1:1 course.

Congratulations on making an investment in your financial freedom!
